# Corrugated Week 2018

September 24 - 27, 2018 • Indianapolis, IN

## DRIVING DISRUPTION: THE ROAD TO SUCCESS

**Attend panels and educational sessions led by industry experts. Program topics include:**  
 Digital Print – Phase II ▪ Material Handling ▪ Automation ▪ Safety ▪ ERP Software Solutions

### ► WHAT IS THIS CONFERENCE ABOUT?

Corrugated Week is your gateway to industry trends, innovations, new products and services and so much more that is exciting as well as different in the corrugated packaging industry. This comprehensive event, which is co-produced by TAPPI and AICC, assembles the largest gathering of decision makers in the corrugated industry and offers a full program with content to address all areas of the box plant.

Corrugated Week features widely recognized speakers, seminars, workshops, exhibits and social networking events. This year's conference program will cover digital printing, automation, material handling, safety, ERP software, HR topics and a special Emerging Leaders/Young Professionals track.

### ► WHO ATTENDS CORRUGATED WEEK?

Corrugated Week attracts the world's foremost industry leaders and experts. You'll be in good company along with:

- Corporate Production
- Engineering and Purchasing Personnel
- Superintendents and Project Managers
- Plant, Production and General Managers
- Research and Development Personnel
- Maintenance and Reliability Managers
- Equipment, Chemical and Service Suppliers
- CEOs and Senior Management

## 2018 Corrugated Classic Golf Tournament

Corrugated Week and the Corrugated Golf Classic offer an unmatched opportunity to network with the most influential corrugated professionals in the world. The 2018 Corrugated Classic Golf Tournament will be held on Monday, September 24, 2018, at Brickyard Crossing Golf Course in Indianapolis, IN. Deadline for registration is August 27, 2018.

The Golf Classic individual fee is \$180 and includes greens fees, range balls, lunch, post golf goodies, and cart and bag service. A foursome can play for \$800.

## Dallara Indycar Factory Gala

For over 40 years, Dallara Automobili, an Italian company, has been in the business of designing, building and supporting some of the world's most competitive racecars and high performance road cars. The Dallara Indycar Factory is a joint venture between the IndyCar Experience and Dallara Automobili and offers visitors the chance to explore 23,000 square feet of interactive and hands-on exhibits

centered around the engineering and technology of the world's fastest sport! On Tuesday night, buses will take exhibitors and attendees to an all-inclusive Gala at the famous Dallara Indycar Factory. Enjoy food and beverages while you wander through the facility or relax with friends and colleagues in comfortable seating areas. Throughout the night, there will be options to drive in a race simulator to experience the real feel of being behind the wheel or test your skills at the Pit-Stop Challenge where you compete for the fastest time. Attendees also have the option to have a keepsake photo taken with an IndyCar.

## Additional Course Offering

### Flexo and Rotary Diecutters Calibration Workshop (Sustain Board Caliper and Printing Capabilities)

**Sunday, September 23, 9:00 am – 5:00 pm**

**Monday, September 24, 9:00 am – 5:00 pm**

**Indiana Convention Center, Indianapolis, IN**

Are you looking to identify and address downtime issues? Do you need to develop a better understanding of machine calibration and how to maintain proper board caliper during the converting process? If you answered yes to either of these questions then this is the workshop for you.

Industry veteran and founder of On Target Consultants, Dick Target, has trained box plant crews in 33 countries, developed effective printing technology and continues to assist companies in meeting business demands through effective manufacturing techniques, machine utilization, and management training. Separate registration is required for the course but it does include access to the Corrugated Week Exhibit Hall.

**Course and exhibit only - \$500**

**Course and exhibit + full conference - \$1650**

For full schedule and additional information on this course visit [corrugatedweek.org](http://corrugatedweek.org)

## Additional Course Offering

### An In-depth Look into the Bonding Process Variables for the Corrugator and Identifying Defects

Monday, September 24, 9:00 am – 2:00 pm

Indiana Convention Center, Indianapolis, IN

This course will provide corrugated industry professionals the opportunity to increase their knowledge of the corrugated bonding process, including factors and variables that impact bond performance. Attendees will learn how to determine proper heat settings, dealing with various board grades, running mismatched, lightweight and coated liners (Kemi) and understanding defects.

This full-day course, taught by Jon Porter, is dedicated to the corrugated bonding process and will be especially beneficial to Corrugator Supervisors, Operators, Maintenance and Quality.

Separate registration is required for the course but it does include access to the Corrugated Week Exhibit Hall.

**Course and exhibit only - \$300**

**Course and exhibit + full conference - \$1450**

For full schedule and additional information on this course visit [corrugatedweek.org](http://corrugatedweek.org)
